Enjoy our playgrounds, the Indian Creek and our heritage style covered bridge

## Thank You!

In 2008 we celebrate 30 years of selling fruit grown on our farm in Cedar Hill. The Ralph family would like to say "thank you" to all of our customers and employees who have supported us throughout the years!

## Keep the Christmas Tradition Alive!

Visit Cedar Hill Berry Farm during December to cut your own fresh tree or choose from our pre-cut trees. Take our free wagon ride across the scenic Indian Creek on our 90 foot covered bridge. Roast hot dogs, sip hot chocolate, tea and coffee while warming up in our rustic shed in front of the woodstove. Children will enjoy our sliding hill, straw jump and ice slide.
